

**HOLMESDALE MEMORIAL TENNIS CLUB
CLUB COACHING – WEATHER POLICY**

The safety and well being of children, whilst participating in tennis activities at the Holmesdale Memorial Tennis Club, is paramount. The following weather policy applies in relation to club coaching during the summer and winter seasons.

SUMMER SEASON

Should the temperature be 35 degrees or higher at 4.00pm on the day of coaching; coaching will be cancelled.

If the temperature is less than 35 degrees at 4.00pm on the day of coaching; coaching will be held as per the scheduled time. Regular breaks will be provided for children under these circumstances. Children are also encouraged to wear a hat and bring a drink bottle.

Please check on the following website regarding current temperature.

www.weatherzone.com.au/sa/adelaide/adelaide

Wet Weather

When there has been constant rain on the courts due to inclement weather, they become entirely unsafe to play on. Under these circumstances, the following should apply:

- If it is still raining at 4.30pm on the day of coaching; coaching will be cancelled.

Should coaching be cancelled, every endeavour will be made to extend the coaching term to accommodate any cancellation.

WINTER SEASON

During the winter season, the same conditions will apply as those outlined above for 'Wet Weather'.

- If it is still raining at 4.30pm on the day of coaching; coaching will be cancelled.

Should coaching be cancelled, every endeavour will be made to extend the coaching term to accommodate any cancellation.

Should you have any questions or concerns regarding this policy, please contact Mike Baldwin on 0408 090591 or email michelpa@internode.on.net
